Dear Brother

I rec^d. your short epistle by this morning mail and hasten to answer. You stated that the small pox was in sight miles of you - I hope it will not get in your village - the disease is at No. Mt Pleasant within twelve miles of us, but the citizens are using every effort to stop its progress, and I think if they will only do their duty it will not get out of the place. There has been 2 or 3 deaths and are 2 or 3 cases of it there now.

Fathers family are all well at present, Mary & Amelia are going to school at Esq. Dowdles from home, they are taking music lessons, so they have to go but 3 times a week as the teacher gives but 3 lessons a week. We had a teacher (a young lady) boarding with us until Christmas, but she has quit so the girls have to take it like you used to (on pony). Robert is with father and in good health, Allison is well and expects to start East next week for Spring good. We have a little nephew now as well as a niece, I have not seen him but they say he is like the rest of the family (good looking). Rebecca is tolerable well and little Ella is as pretty as ever, and in pretty good health.

Over

Uncle Ruben is still in the land of the living - he still occupies the upper Office, and Chews as much tobacco as when it was 100 per cent lower, he is in very good health at present, We are all getting on finely if we can only continue so, I stated in my last my feeling towards Mother and I still have them and hope that I ever may, she frequently speaks of wishing to see you &c,

I have no news to write that would interest you. Father will attend to the little matter you wrote to him about, in a few days. he is in very good health and in better spirits than common, We have not had a letter from Uncle Bethel for some time, Mary and Amelia correspond with our Cousin in N.C. - (Uncle John's Daughters) as it is 15 minutes after 11 O'Clock. I must bring my too short epistle to a close, write often and let us know that you are still getting along. your health, feeling &c.

I remain as ever
Your affectionate brother
A B Trudwell
